Mr.
ROD BECKSTROM
CEO
Internet Corporation for Assigned Names and Numbers –ICANN
Marina del Rey, CA
USA.

Dear Mr. Beckstrom,

On November 9th, 2009, former Minister Maria del Rosario Guerra, sent to you a letter mentioning that the Colombian Government has the best interest to host the ICANN's upcoming conference in December 2010 in the beautiful city of Cartagena, Colombia.

As you know, Mr. Nick Tomasso was visiting Cartagena during the last days of November. He was received by Cartagena's major, Judith Pinedo Florez, who showed to him all the facilities that Cartagena can offer to host with success the ICANN event.

Hereby, I emphasis the Local and National Government commitment and interest to host ICANN's event in December of this year.

It will be my pleasure to solve any doubt that you can have in order to designate Cartagena for hosting this important event.

Sincerely,

DANIEL ENRIQUE MEDINA
Minister of Information and Communications Technologies *(es)*
