Dear Mr. Schaeffer:

Thank you for your letter of 19 August 2014 regarding .music LLC's .MUSIC application and Community Priority Evaluation (CPE). We have posted your letter to the New gTLD correspondence page (<http://newgtlds.icann.org/en/program-status/correspondence/schaeffer-to-bew-et-al-19aug14-en.pdf>).

Please be advised that per the section 2.4.4 of the Applicant Guidebook, it is not appropriate to contact New gTLD Program evaluation panels regarding applications under review. All communication with the evaluators should go through ICANN. Although ICANN does not forward letters or comments to the CPE Panel, we have asked the Economist Intelligence Unit to review publicly available portions of the application, application comments, correspondence, and objection determinations, and to perform additional research as necessary.

Regarding your comments about the .music LLC's application (ID 1-959-51046), the CPE panel has finalized its evaluation of this application, and the final CPE report is available at: <http://www.icann.org/sites/default/files/tlds/music/music-cpe-1-959-51046-en.pdf>.

Thank you for your interest in the New gTLD Program. Should you have any questions, please contact the New gTLD Customer Service Center at [newgtld@icann.org](mailto:newgtld@icann.org).

Sincerely,

Christine A. Willett  
Vice President, GDD Operation
