Article 4, Section 4.2 of the Bylaws provide that “[t]he Board Accountability Mechanisms Committee shall make a final recommendation to the Board with respect to a Reconsideration Request within 30 days following its receipt of the Ombudsman's evaluation (or 30 days following receipt of the reconsideration Request involving those matters for which the Ombudsman recuses himself or herself or the receipt of the Community Reconsideration Request, if applicable), unless impractical, in which case it shall report to the Board the circumstances that prevented it from making a final commendation and its best estimate of the time required to produce such a final recommendation. In any event, the Board Accountability Mechanisms Committee shall endeavor to produce its final recommendation to the Board within 90 days of receipt of the Reconsideration Request. (*See* Bylaws, rt. 4, § 4.2(q).) Article 4, Section 4.2(r) of the Bylaws states that the Board “shall issue its decision on the recommendation of the Board Accountability Mechanisms Committee within 45 days of receipt of the Board Accountability Mechanisms Committee’s recommendation or as soon thereafter as asible.” Requestors are regularly notified at each step of the proceedings, including whether there will be a delay beyond the suggested response deadline.
