Dear Donna,

In response to your [letter of 18 October 2021](#), I'm writing to notify you that the ICANN Board has selected two members of the Board to serve as liaisons to the recently established GNSO Expedited Development Process (EDPD) Team on Internationalized Domain Names (IDNs). They are Edmon Chung and Akinori Maemura; and you may already be in communication with them in this regard. This email serves as official notification of their appointments.

The Board liaisons will share on a regular basis any input the Board may have that will inform the GNSO Expedited Development Process (EDPD) Team on Internationalized Domain Names (IDNs) deliberations and ongoing work.

Thank you,

Maarten Botterman

Chair, ICANN Board of Directors
