## 102.1 Introduction to ICANN

This course will teach you about what ICANN is, what it does and how you can get involved. There is a discussion forum where you can engage with your classmates, pose questions to the ICANN staff, and leave comments.

This course is designed for those with all levels of knowledge about ICANN. It contains a beginning level of information about ICANN but can be a useful refresher course. Feel free to recommend additional topics for future lessons to be added. Thanks for taking the course! ... [More](#) ▾
