RE: NOTICE OF TERMINATION OF REGISTRAR ACCREDITATION AGREEMENT

Dear Mr. Gurung:

Please be advised that the Registrar Accreditation Agreement (RAA) between the Internet Corporation for Assigned Names and Numbers (“ICANN”) and Best Bulk Register, Inc. (“Best Bulk Register”) is terminated and consistent with the terms of the RAA, the termination shall become effective 4 March 2011. As explained in greater detail below, this termination is based on Best Bulk Register’s failure to cure the breaches set forth in ICANN’s letter dated 19 November 2010.

ICANN demands that Best Bulk Register remove all ICANN Trademarks immediately from Best Bulk Register’s website and business materials that have been licensed to Best Bulk Register under the terms of the logo license Appendix to the RAA, as this logo license is revoked.

Failure to Provide Public Access to Data on Registered Names Pursuant to Section 3.3

Section 3.3 of the RAA requires Best Bulk Register to provide an interactive web page and a port 43 Whois service providing free public query-based access to up-to date (i.e., updated at least daily) data concerning all active registered names sponsored by Best Bulk Register for each TLD in which it is accredited.

ICANN provided notice to Best Bulk Register on 19 November 2010 of the unavailability of public access to data on registered names. ICANN attempted to access Best Bulk Register’s Whois services several times over the past eight weeks, including an attempt today. ICANN’s attempts have been unsuccessful.

Best Bulk Register, Inc.

Best Bulk Register failed to comply with its obligation pursuant to Section 3.3 of the RAA by not providing either an interactive web page or a port 43 Whois service.

Failure to Pay Accreditation Fees Pursuant to Section 3.9 of the RAA

Section 3.9 of the RAA requires registrars to timely pay accreditation fees to ICANN, consisting of yearly and variable fees. Best Bulk Register currently owes ICANN \$10,332.88 in past due and current accreditation fees.

Notices regarding Best Bulk Register's past due accreditation fees, including detailed customer states, were transmitted to Best Bulk Register on 23 April 2010, 29 June 2010 and 24 August 2010.

On 19 November 2010, ICANN sent Best Bulk Register a notice of breach of its RAA based on Best Bulk Register's failure to provide an interactive web page and a port 43 Whois service and failure to pay past due accreditation fees. Best Bulk Register failed to cure these breaches in the time period allowed by the RAA.

Based on Best Bulk Register's failure to cure the breaches of Section 3.9 and 3.3, and in accordance with Section 5.3 of the RAA, ICANN hereby gives Best Bulk Register notice that Best Bulk Register's accreditation will terminate on 4 March 2011.

Conclusion

Based on Best Bulk Register's failure to cure the breaches set forth in ICANN's notice of breach dated 19 November 2010, ICANN is terminating the RAA, effective 4 March 2011. Additionally, ICANN is concerned that Best Bulk Register's failure to maintain valid primary contact information may be indicative of other operational problems. In the interest of protecting domain name registrants, ICANN must immediately commence the domain name transition process and solicit bids for a qualified ICANN-accredited registrar to manage the domain names currently managed by Best Bulk Register.

To facilitate the transition of the domain names currently managed by Best Bulk Register, ICANN will follow its De-Accredited Registrar Transition Procedure (Procedure) <http://www.icann.org/en/processes/registrars/de-accredited-registrar-transition-procedure-01oct08.pdf> to transition any names managed by Best Bulk Register to another ICANN-accredited registrar. We encourage you to read the Procedure in its entirety. Consistent with the Procedure, we are requesting that Best Bulk Register designate a bulk transfer recipient by 15 February 2011. Please contact ICANN's Registrar Liaison Team at RegTransition@icann.org to designate a bulk

transfer recipient. We anticipate the full cooperation of Best Bulk Register during the transition process.

Kindly note, however, that your designation of a bulk transfer recipient does not prejudice ICANN's right to the Registration Data Escrow data and other rights under the RAA, as well as ICANN's right to transfer names to a registrar of our choosing, selected pursuant to the Procedure.

Be advised that termination of Best Bulk Register's RAA does not relieve Best Bulk Register of the obligation to pay accreditation fees thereunder, which should be paid immediately. ICANN reserves the right to pursue all means available to collect all accreditation fees owed by Best Bulk Register, including recently assessed fees, totaling \$10,332.88 (see attached Customer Statement for details).

It is ICANN's goal to protect registrants from unnecessary harm and we look forward to amicably resolving any domain name transition issues that may arise from this termination.
