Dear Karim,

ICANN has conducted a preliminary review of RegistryPRO Anti Abuse Policy request, in accordance with the Registry Services Evaluation Policy and process set forth at <http://www.icann.org/registries/rsep/rsep.html>.

Based on the information provided, ICANN's preliminary review did not identify any significant competition, security or stability issues. This request has been approved.

Please let us know if you have any questions.

Best regards,
