

The Internet Corporation for Assigned Names and Numbers

22 July 2015

Mr. Thomas Schneider
Chair, Governmental Advisory Committee (GAC)

Dear Mr. Thomas Schneider:

Thank you for the letter dated 16 July 2015, regarding the release of two-character labels at the second level. We have published it to the ICANN correspondence page so that it may be viewed by the wider community (<https://www.icann.org/en/system/files/correspondence/schneider-to-atallah-16jul15-en.pdf>).

We are currently finalizing the changes to the process for the release of two-character labels at the second level, and we plan to provide the GAC with a detailed update shortly.

If you have any questions, please do not hesitate to contact me or any member of the Global Domains Division leadership team.

Sincerely,

Akram Atallah
President, Global Domains Division
