Re: .WEB/.WEBS Auction on 27 July 2016

Dear Members of the .WEB/.WEBS Contention Set,

We are writing in regards to inquiries we have received concerning potential changes of control of NU DOT CO LLC, an applicant in the .WEB/.WEBS contention set, and requests to postpone the auction to investigate the matter. We would like to provide some clarification regarding this issue and how it may or may not impact the .WEB/.WEBS auction scheduled for 27 July 2016.

Firstly, as a reminder, in regards to a request for postponement, Rule 10 of the Auction Rules for Indirect Contention states:

“...Postponement requests must be submitted by all members of the Contention Set by the due date specified within the ICANN Customer Portal, generally twenty eight (28) days after receipt of Intent to Auction notice from ICANN. If a postponement request is not submitted by the due date specified within the ICANN Customer Portal or is not accommodated by ICANN, an applicant may request an advancement/postponement request via submission of the Auction Date Advancement/Postponement Request Form. The form must be submitted at least 45 days prior to the scheduled Auction Date and ICANN must receive a request from each member of the contention set...” (<https://newgtlds.icann.org/en/applicants/auctions/rules-indirect-contention-24feb15-en.pdf>)

The date to submit the postponement form passed on 12 June 2016, and we did not receive consensus from the contention set. As such, no postponement was granted.

Secondly, in regards to potential changes of control of NU DOT CO LLC, we have investigated the matter, and to date we have found no basis to initiate the application change request process or postpone the auction.

The Internet Corporation for Assigned Names and Numbers

Finally, as you are aware, ICANN provided confirmation to all members of the .WEB/.WEBS contention set on 6 July 2016 that the auction will be proceeding as scheduled on 27 July 2016. Please follow all instructions provided to you by Power Auctions, the Auction Manager, regarding next steps, including mini and mock auctions as well as the deposit deadline.

Regarding the deposit deadline, Rule 28 of the Auction Rules for Indirect Contention states:

“All wires and all instructions associated with Deposits, including instructions regarding the allocation of funds among Contention Sets from wires and funds rolled over from previous Auctions, must be received no later than 16:00 UTC on the day that is seven (7) calendar days prior to the Commencement Date of the relevant Auction (the “Deposit Deadline”), unless this deadline is waived, at the Auction Manager’s sole discretion.”

As per Rule 28, the Deposit Deadline for the upcoming auction is 16:00 UTC on 20 July 2016.

While the auction is currently set to proceed as scheduled, applicants may continue to work toward self-resolution of the contention set. Applicants may withdraw their application up until the Deposit Deadline noted above. Once the Deposit Deadline is reached, there is a quiet period in which applicants are no longer allowed to withdraw their application until after conclusion of the auction.

I hope this information has been helpful to you. Please do not hesitate to respond with any additional questions or concerns. Should you have specific questions regarding next steps for the auction, you may submit a case to globalsupport@icann.org, and someone from my team will contact you promptly.

Sincerely,

Christine A. Willett
Vice President, GDD Operations
ICANN
