**ICANN**  
**Executive Summary of Unaudited Financial Results**  
**For the Six Months Ending 31 December 2017**

**Overview - ICANN Operations and New gTLD Program**

The total ICANN change in net assets is \$1.8M higher than budget for the period mainly due to: (i) underspend in planned operations for ICANN Ops \$9.5M primarily due delayed activities across the organization, (ii) total ICANN investment gains of \$5.3M and (iii) lower evaluation costs due to extension of the New gTLD Program \$1.5M; partially offset by (iv) lower than budgeted funding for ICANN Operations (\$5.5M), (v) lower revenue recognized for the New gTLD Program (-\$8.0M), and (vi) planned risks costs for New gTLD of (\$1.1). See below.

The Funds Under Management by ICANN increased by \$2.3M during the period to a total of \$461.8M, mainly as a result of (i) net funds collected from contributors and contracted parties \$68.0M; and (ii) Reserve Fund gains \$5.3M, and partially offset by (iii) New gTLD operating activities of (\$0.5M) and (iv) general operating expenses for ICANN Ops (-\$70.5M)

**Financial Position**

The Funds Under Management increased by \$2.3M during the period as a result of the following:

An increase of the ICANN Operations funds by \$7.9M due to:

- (i) funds collected from contributors/ parties of \$68.7M
- (ii) the reimbursement to ICANN Ops from the New gTLD Program for direct/allocated costs for \$6.2M and Historical Development Costs for \$0.7M, and
- (iii) the appreciation of investments for \$3.9M, partially offset by
- (iv) payments to vendors/ employees of \$71.5M, \$7.0M of which were on behalf of the New gTLD Program.

A decrease of the New gTLD funds by \$5.6M due to:

- (i) the reimbursement to ICANN Ops from the New gTLD Program for direct/allocated costs for \$6.2M and Historical Development Costs for \$0.7M
- (ii) refund application expenses of \$0.7M, partially offset by
- (iii) lower operating expenses than planned for \$0.5M
- (iv) the appreciation of investments for \$1.5M

**Funding**

Funding for ICANN Operations was \$5.5M lower than budget due to: (i) lower volume of Transaction Fees than planned (-\$5.3), and (ii) lower than planned Other fees (-\$0.6M) due to timing for the contributions from cctlds. This variance was partially offset by (iii) higher Registrar other fees \$0.5M due to timing of the renewal dates for registrar accreditation fees.

Funding for the New gTLD Program was \$8.0M lower than budget primarily due to the timing of evaluation activities resulting in lower than planned revenue recognized.

**Operating Expenses**

Personnel expenses were lower than budget by \$0.5M primarily due to slower FY18 hiring than budgeted partially offset by higher fringe expense than budgeted. Average headcount for 31 December 2017 was 400 vs budget of 416.

'Personnel expenses for the New gTLD Program were \$0.2M favorable to budget due to: (i) lower allocation expenses from ICANN operations due to the extension of the New gTLD program.

**ICANN**  
**Executive Summary of Unaudited Financial Results**  
**For the Six Months Ending 31 December 2017**

Travel and Meetings expenses were lower than budget by \$1.1M due to timing differences across various projects. The functions with projects showing a variance of \$0.5M or greater in this category was MSSSI, for the SSR2 and ATRT Reviews \$0.6M.

Travel and Meetings expenses for the New gTLD program were flat to budget.

Professional Services expenses were lower than budget by \$6.8M primarily due to timing differences across various activities and projects. The functions with projects with a variance of \$0.5M or greater in this category were: MSSSI for the Reviews, (-\$1.2M) – timing of work has not been progressed as anticipated, Meetings (-\$0.6M), Public Responsibility Support (-\$0.6M), and Language Services (-\$0.8M).

Professional Services costs for the New gTLD Program were \$1.2M higher than budget due to legal fees for pending and open reconsideration processes.

Administration expenses were lower than budget by \$0.9M primarily due to: (i) timing of Office of the Chief Technology Officer sponsorship fees (-\$0.3M), and (ii) (-\$0.7M) timing differences across various activities and projects.

Administrative costs for the New gTLD Program were relatively flat to budget.

Bad debt: On the basis of the historical trend of uncollectible receivables, the level of bad debt on reserve at the end of the period was sufficient and therefore no additional bad debt expenses were budgeted or reserved during the period.

Depreciation costs were flat to budget.

**Other Income /Expense**

Other income/ expense for ICANN Operations was \$3.9M favorable to budget due to realized gains of \$0.3M and unrealized gains of \$3.8M on investment accounts.

Other income/ expense for New gTLD was \$1.5M favorable to budget due to realized gains of \$1.2M and unrealized gains of \$0.3M on investment accounts

**Funds Under Management  
As of 31 December 2017  
US dollars, in millions**

The variances from 30 June 2017 to 31 December 2017 are as follows:

New gTLD Auction Proceeds collected from auctions organized by ICANN are the mechanism of last resort to resolve string contention within the New gTLD Program. The fund increased \$0.8M.

New gTLD funds are the unspent portion of application fees collected in 2012 that are used exclusively to pay for expenses of the New gTLD Program and refunds to withdrawing applicants. These funds decreased by -\$6.5M mainly due to: i) the repayment to ICANN Ops for Historical Development costs.

The ICANN Operations Operating Fund decreased by \$0.9M due to: (i) the net impact of cash received from contracted parties of (+68.7M), and (ii) the cash received from the New gTLD Program for repayment of Historical Development costs and accumulated direct allocated costs incurred on behalf of the program (+\$6.9M), partially offset by (iv) payments to employees and vendors of (-\$71.5M), \$6.2M of which was on behalf of the New gTLD Program, and (v) transfer of funds to the reserve \$5.0M

The Reserve Fund, which are ICANN's reserves to face the impacts of unexpected events or economic uncertainties, increased by \$8.9M due to (i) the appreciation in the market value of investments \$3.9M and (ii) a transfer of funds from the operating account of \$5.0M

**Cash Flows Synopsis**
