Subject: Naming Services portal planned go live update

Dear [RPC or Applicant Name],

Please be advised our 25 September 2017 planned launch of the Naming Services portal has been delayed. We have migrated all the data and are in the process of verification and reconciliation of the same. We will provide you another update within 24hrs.

We apologize for the delay and remind you that you may contact [Global Support](#) should you have questions in the interim.

Kind Regards,

Neeraj Sood

Sr. Manager, ICANN Product Management
