The Roundtable is an informal, interactive discussion between registries, applicants and the Registry Services & Engagement team where we discuss topics that are proposed by attendees at the start of the session.

We have also provided a list of sessions that may be of interest to you at this ICANN meeting. Please note – the schedule may change so please be sure and check the meeting schedule for updates. For the full ICANN60 schedule, please see: <https://schedule.icann.org>

Don't forget to stop by our GDD information booth where the global support team will be on-site to answer general inquiries and discuss suggestions or comments. We look forward to seeing you!
