

Dear Registry Operators,

On Thursday, 31 August, 2023, there will be a change to one of the reports in the email you receive titled, "Weekly Registrar Announcement (YYYY-MM-DD)". The updated report will offer changes to Primary, Secondary, Transfer, and Transfer Emergency Action Contact (TEAC) registrar contacts. The weekly report prior to this date only offered changes to the Primary registrar contact.

Also on 31 August, the same email will contain a one-time report of primary, secondary, transfer, and TEAC contacts for all ICANN accredited registrars. This will allow registry operators to start with a complete list of updated contacts for registrars.

All reports will continue to be provided in both .xlsx and .csv file types.

This change was prompted by discussions in the Transfer Policy Development Process (PDP) Working Group about pain points registries encounter regarding obtaining current contacts for registrars. We hope that this additional information offers registry operators better contacts for their registrar partners.

Best regards,

Andee Hill
