

Consensus Policy Update

Public Forum

South Africa ICANN Meeting

4 December 2004

Consensus Policy Location

<http://www.icann.org/general/consensus-policies.htm>

New Consensus Policies

- Inter-Registrar Transfer Policy

- A straightforward procedure for domain name holders to transfer their names from one ICANN-accredited registrar to another should they wish to do so.
- Effective 12 November 2004

- Expired Domain Deletion Policy

- A uniform deletes practice that registrars must follow at the time of domain name expiry.
- Effective 21 December 2004

New Consensus Policies

- Whois Marketing Restriction

- Registrar's access agreement shall (i) require the third party to agree not to use the data to support any marketing activities (i) require the third party to agree not to sell or redistribute the data.
- Effective 12 November 2004

- Restored Names Accuracy Policy

- When a name is restored that had been deleted due to submission of false contact data the name must be placed on Registrar Hold status until Whois data is accurate.
- Effective 12 November 2004
